

HOW TO ARRIVE AT CA' DEL ROCCOLO

(via Gaspari 3 - Verona - tel. 045/8700879)

NB: The indication 'Quinto' is useful only for the post office. If you need information ask for 'Le Torricelle' and then for 'Gaspari' the small village where the road ends two Km after our house.

16. At the intersection with Via Carbonare you are 400 mt. from the house. We are on the left, 10 mt. off the main road, next to us there is another house with a green gate.

15. At the sign of 'dead end' you are in VIA GASPARI

14. Stay on this road for about 1,5 km, than you arrive at intersection with Via Carbonare and Via S. Vincenzo becomes Via Gaspari

13. Take Via San Vincenzo in the middle.

12. You will see on your right the grounds of a big villa.

11. At this point the road narrows and becomes a one-way street. Proceed with caution and use your horn. You are 3 km to Ca' del Rocolo. Keep note of passing places in case you meet another car.

10. You will pass a Bar (on the left) and a parking area (also on the left).

9. After the parking of the Disco, turn right

8. Go straight to the Disco 'Alter Ego' - Minigolf

7. At the top of the hill turn right: you will see the bus stop where the road widens.

5. Pass a crossroad and take Via Caroto up to the direction 'Torricelle'

BE CAREFUL AT THIS POINT:
If you feel lost, ask for 'LE TORRICELLE' not for 'Quinto' that takes you totally out of road.

4. Keep the left lane and turn left almost immediately at the 2nd crosslights Follow a withe arrow: 'Istituto Don Calabria'

6. Here starts a series of curves to climb the hill (2 km). Forget the sign 'Istituto Don Calabria' and stay on the main road.

3. At the big cross-light in front of Porta Vescovo turn right

2. Follow directions for Verona centro

1. Exit highway VR-EST
